

# Community Colleges

Making it Work for 40-40-20

Larry Cheyne, Director of Education Partnerships, Clackamas  
Community College

Lisa Reynolds, Education Specialist, Department of Community Colleges  
and Workforce Development

# Partnerships at the Core

Oregon Community Colleges have a long history of collaboration

- **Between community colleges**- statewide degrees, associations, funding models
- **With universities**- articulation, co-admission, financial aid
- **With business and industry**- advisory committees, internships

# Grassroots Partnership Efforts (a few)

## From idea to initiative

- Reverse Transfer
- Student Success Initiatives- Transfer Student Bill of Rights and Responsibilities
- Bachelor of Applied Science

# The Future

## Efforts that enhance degree partnerships

- Bachelor of Applied Science
- Math Pathways
- CC Majors

# Policy Levers

- Legislative Mandates
- Strategic Investments
- Localized Efforts

# Questions to Wrap Up

- What are the biggest challenges to degree partnerships that your campus has experienced?
- How can degree partnerships support campus priorities?
