

CONCURRENT ENROLLMENT

International students who would like to enroll at Oregon State University (OSU) and another SEVIS-approved school at the same time should request permission for “concurrent enrollment”. You should meet with an International Student Advisor and meet with your Academic Advisor in your department and obtain your advisor’s recommendation prior to the term for which you would like to take concurrent enrollment. To be eligible for concurrent enrollment:

- Total enrollment at both schools must amount to a full course of study (12 credits for undergraduate students and 9 credits for graduate students). No more than a **total of 3 credits of online classes** (between both schools) can count toward full-time enrollment per term. If you are a sponsored student, you will also need to check with your sponsor to find out if there are any restrictions to taking or paying for classes at another school while at OSU.
- Students must be full-admitted OSU degree students and enrolled for a minimum of 3 credits at OSU to be eligible for “concurrent enrollment”.
- If you are enrolled in the [Degree Partnership Program \(DPP\)](#), you may need to enroll in concurrent enrollment each term to have those classes count for immigration purposes.

This completed form must be received in International Student Advising and Services no later than the end of the second week of classes of the term for which the request applies. Please attach proof of registration for all courses you will take at the other institution. If you have an unusual situation, please contact an International Student Advisor.
