The Degree Partnership Program (DPP) allows undergraduate students to be jointly admitted and enrolled at Oregon State University (OSU) and any of our community college partner schools. DPP is open to all undergraduate students pursuing their Bachelor’s Degree.

- Can combine classes from both OSU and the partner community college as one enrollment level for Financial Aid, scholarship, and Veteran/Military benefit purposes.
- Access to 100 and 200 level courses at the community college.
- Access services on both campuses such as scholarships, tutoring, Disability Services, and more!
- Students using DPP to transfer into OSU have 10 terms before they have to take an OSU class, while remaining an “active” OSU student.
- Early access to advising resources: MyDegrees to track degree progress, OSU academic advisors, and transcripts sent to OSU at the end of each term from the community college.
- Increase schedule flexibility!

**Home School:** The school that will administer your financial aid and/or Scholarships. All DPP students must have a home school.

**OSU attendance only:** OSU must be the home school.

**Classes at both OSU and the partner school:**
May choose a home school. Each home school may have different aid packages and rules around financial aid and scholarships for DPP students, so students should plan ahead and work with a home school financial aid advisor to understand their financial aid expectations.

If a DPP student takes credits at their partner school that are transferrable to their home school, the partner school credits can be counted towards their overall financial aid credit load.

Include both OSU and the partner school on FAFSA to keep financial aid options open. Once an award letter is created at both schools, you can make an informed decision on home school.

**OSU funded grant or scholarships** have specific requirements including OSU as the home school and take at least 6 OSU credits each term for the award to disburse.

**Scholarships from your partner school** may have specific requirements; know the policies around the scholarships.

After enrolling in the first OSU credit, students must complete a “DPP survey for Financial Aid” at OSU. This can be accessed by vising MyOSU and clicking:

Welcome Tab—>Banner Self Service—>Personal Information tab—>Answer a survey

To change your home school, send an email from your OSU email to: dpp@oregonstate.edu with your name, ID number, and your request to change your home school, including the specific term.
