| <p>What is the degree partnership program? What are some of the advantages of doing this? Oregonstate.edu/dpp→"Advantages"</p> | <p>The DPP program allows students to be "co-enrolled" or considered a student at OSU and a community college at the same time. The advantage for doing this allows students to take advantage of what both schools have to offer:</p> <ul style="list-style-type: none"> • They can combine classes together from both OSU and the partner community college to have full time enrollment for Financial Aid and Veteran/Military Benefit purposes. • 100 and 200 level classes are less expensive at the community college • Specifically, students using DPP to transfer in to OSU can have early access to advising resources such as MyDegrees and their OSU advisors (access will vary academic department-to-department throughout the year). • Students in DPP can also access services such as scholarships, tutoring, Disability Services, and more at both campuses. | | | | | | | | | | | | | | | | | | | | | | | | | | |
| <p>Who would be ideal candidates for DPP – meaning who would be able to get the most out of it? Oregonstate.edu/dpp</p> | <p>A student who is planning to come to OSU but may not be quite ready to make the transition. Generally, students who are early on in their college career get the most benefit from the program.</p> | | | | | | | | | | | | | | | | | | | | | | | | | | |

| <p>When can students sign up for the DPP program? Oregonstate.edu/dpp→"Requirements"</p> | <p>Anytime... the deadline is 4 weeks before the beginning of each term because it will take OSU up to 2 weeks to process and send the application and 2 weeks for the community college to receive and process the application.</p> <p>Winter 2017 → December 12, 2016 Spring 2017 → March 6, 2017 Summer 2017 → June 5, 2017 Fall 2017 → August 23, 2017</p> | | | | | | | | | | | | | | | | | | | | | | | | | | |
| <p>Can a DPP student live on campus? Can they take advantage of OSU resources?</p> | <p>Yes. They can take all their classes at the CC and still live at OSU. They will need to pay for student services (incidental fees) if they wish to use Rec Sports, Student Health Services, CAPs, etc. Arrangements can be made through Student Accounts</p> | | | | | | | | | | | | | | | | | | | | | | | | | | |
| <p>What are the admission requirements for the degree partnership program? How are they different from transferring regularly to OSU? Oregonstate.edu/dpp→"Requirements"</p> | <p>Freshman – Same requirements as OSU Admission Transfer – 24 graded transferrable credit hours, 2.25GPA, WR 121, MTH 105 or MTH 111 C- or better Current – Current student at OSU Post Bac – Transfer Requirements Grad Students – Sorry... no can do!</p> | | | | | | | | | | | | | | | | | | | | | | | | | | |

| <p>How does financial aid work? What about scholarships? Oregonstate.edu/dpp→"Financial Aid"</p> | <p>Students should include both school codes when doing the FAFSA. The student selects a home school, meaning that is the school that will administer their aid. The best bet is for the student to:</p> <ul style="list-style-type: none"> • Include both schools on their FAFSA • Depending on who they choose as their home school, work with Financial Aid to make sure they have met all the requirements for each award on their financial aid package. (ex: min. credits for some scholarships is 6 hours at OSU, or they may need to complete at least 45 each year.) • Best to refer students to Financial Aid for their own individual case. • Some schools also have credit requirements or home school designation requirements. There are new DPP scholarships in the works... stay tuned! |
| <p>I heard it only makes sense to do DPP if you only partner with LBCC and it's a waste of time to do any of the other schools since they are so far away. Is this true?</p> | <p>Not True! Student can do it when returning home for the summer (local CC), if they need to pick up a series of classes, or are taking classes on-line (Chemeketa currently does not charge out of state tuition for students who will never come to campus.) Chemeketa also has the best selection of online classes.</p> |
| <p>How do Advanced Standing Reports work with the DPP program?</p> | <p>Once a student is admitted to the program the ASR is completed and updated after each term by admissions. Process—End of the term → CC sends Transcripts to OSU after grades are posted Admissions→ process the CC transcripts and a new ASR is generated. Process takes 4-6 weeks after the transcript is received from the CC</p> |
| <p>Are there a maximum number of credits a student can earn in the DPP program?</p> | <p>Students can only transfer in 124 credit hours from all CCs. They can take additional classes but will only be able to count the 124 credits. Students can work with advisors to determine which credits best fit within their program if they are over the limit.</p> |
| <p>How does Summer Session work with DPP? Financial Aid (Summer Specifics)</p> | <p>Students can either come to OSU for the Summer and sample summer classes or use summer as a beginning point for enrolling in the DPP program. A student must be admitted to the program by the Summer deadline in order to participate in the DPP program regardless of the part of term the student is taking the class. It is very important that the student meets with a financial aid advisor to best understand how summer term, dpp, and financial aid works in their situation</p> |
| <p>How much can students save using DPP?</p> | <p>It is dependent upon the number of classes taken at each school and their classification (Resident/Non-Resident at OSU, In-District or Out of District at the CC, International, Major are all variables).</p> |
| <p>How many students are in DPP?</p> | <p>Approx... 28,000 graduates have used DPP, 11,000 students have DPP on their account, 3000 – 6000 use DPP each term.</p> |
| <p>Visiting Community Colleges...</p> | <p>Last year we did monthly visits to 5 community colleges, LBCC Weekly visits. For 2016 – 2017 we will attempt to visit the other 11 community colleges at least once a term to meet with prospective students.</p> |
| <p>In Rick's Opinion (IRO), what are the top five key talking points about the DPP?</p> | <ol style="list-style-type: none"> 5. Program for the "Savvy Student" concerned about keeping tuition costs low 4. Get the best of both CC and OSU 3. Quicker connection to OSU advising and OSU faculty (access will vary academic department-to-department throughout the year). 2. Combined Financial Aid and Scholarship benefits. 1. More convenient time and more offerings of courses. |
