

Associate of Arts Oregon Transfer (AAOT) Vs. OSU Baccalaureate Core

You may choose one or the other –

Completion of the AAOT will clear the lower division general education requirements (BACC Core) at OSU. You must complete **all** of the AAOT and graduate from the community college with the AAOT noted on the Degree and Transcript to clear the lower division BACC Core requirements.

- Depending upon number of credits earned prior to making a decision to attend OSU, it may be better to earn the AAOT vs working directly on the BACC Core Requirements. Please meet with an Academic Advisor to help you decide.
- All BS/BA degrees at OSU require at least 180 credits, at least 60 upper division credits, and 45 of the last 75 credits taken at OSU.
