THE DEGREE PARTNERSHIP PROGRAM

Oregon Community Colleges
&
Oregon State University
INCREASE AWARENESS AND UNDERSTANDING OF THE DPP

DETERMINE STEPS TOWARD MAKING THE PARTNERSHIP OPERATIONAL

DEVELOP CONTACTS AND RELATIONSHIPS FOR COLLABORATION

CREATE NEW OPPORTUNITIES FOR STUDENTS!

PURPOSE OF TODAY’S MEETING
DPP PURPOSE AND GOALS

- Joint admission / concurrent enrollment
- Improve student access, success and baccalaureate degree completion
- Expand options for college-level services and curriculum
- Improve academic program articulation
- Establish new levels of cooperation across traditional levels of education
1990 - Ballot Measure 5 - Property Tax Limitation Degree Passes

1992 - Programs Cut at Oregon Universities

1992 - Student Hunt for Courses for Degree Completion

1996 – Presidents of OSU and LBCC direct staff to resolve issue

1996 – 1998 Dual Enrollment Program developed

1998 – Dual Enrollment Program begins between OSU and LBCC

2001 – New Community Colleges begin to be added to program

2003 – Rebranded to Degree Partnership Program because of confusion between HS Dual Enrollment and OSU Program

2012 – Transfer Services Manager position created to manage program

2014 – LBCC adds staff dedicated to the Degree Partnership

2015 – Additional staff added to support program and transfer students

2019 – Additional TSM staff added to serve remote location
RECRUITMENT AND ADMISSIONS

Single on-line application, shared fee

University admission requirements

Admission deadline

Student permission to share records

http://oregonstate.edu/admissions/index.php

OSU's admission requirements promote student success by assessing student preparedness and academic potential in the unique context of each student's personal experience.
Student adheres to Tuition & Fees rates and policies of institution offering the course

Residency for tuition is based on institution offering the course

Ability to combine coursework for Financial Aid purposes
Students register for courses through the regular registration processes at each institution.

Each school is responsible to maintain enrollment records for their courses.

Students coded and tracked at each school.

Electronic Data Interchange (EDI) (preferred)
EDI

The electronic transfer of information between two trading partner’s systems using a set of transactions that have been adopted as a national or international standard for the particular business function.
WHAT IT TAKES TO USE EDI

- EDI server
- Internet access
- Translation & mapping software
- Staffing
- Registration
- Encryption software
EDI IMPLEMENTATION

TIMELINE

To be ready to test with a partner

• 2 – 3 months
• Speed process by sharing information between institutions

Testing with trading partners

• Approx. 2 weeks each (in real world)
• Develop good sample pack of transcripts
# Financial Aid and Scholarships

When students co-enroll, credits at each school are combined for financial aid eligibility.

**Financial Aid Consortium Agreement (FACA)**

Students receive aid only through their “home institution” as determined by their degree status and FACA.

Student data for financial aid is shared between institutions, including compliance and end of term information (OFAX).

Shared scholarship eligibility in some cases:

- Ecampus/distance courses not eligible for fee remissions
PARTICIPATING SCHOOLS
send in their data via a
secure web site

LOCAL PROGRAMMING IS REQUIRED
to create this output file

OFAX SERVER PROCESSES
file (uses Microsoft SQL
Server/ASP technology)

MATCH ON SSN AND DATE OF BIRTH
Return matching records sent in
by other schools via password
protected email attachment
OFAX DATA LAYOUT

Data is sent/received in comma delimited text file.

The full layout is available from OSAC’s web site.

see http://www.osac.state.or.us/ofax.html for more info.

This file can be loaded into Excel and processed manually or loaded into a database and automated via local programming.

This allows schools to process the OFAX data any way they see fit.

*Note: Fees & tuition for Academic Year 2023/24 (Fall/Winter/Spring) Updated 5/5/2023*

This chart is our best guess of the Base Tuition and fees at OSU and LBCC based upon tuition charts provided on the Business Websites at each school.
Competitive scholarship offered to exceptional freshman and transfer students. Award amounts vary and are renewable for up to four years of undergraduate study with specific renewal requirements to be met by recipients. Scholarships can be put on hold for various program requirements like Oregon Promise. Students can also apply for scholarships through both the community college and university. Student must meet the requirements of specific scholarships that can include the following: Home school designation Coursework minimums GPA requirements Class level Scholarship specifics
PROGRAM ARTICULATION AND ACADEMICS

Single Course Articulations – rather than Programs
- Direct transfer of individual courses
- Common Courses across state (Z courses)

The Process
- Identify Baccalaureate Core Requirements/Options
- Identify Major Core Requirements/Options available at CC
- Identify Coursework that can only be completed at OSU

The Outcome
- Transparent pathway(s) for students
- Advisor tools
ON-LINE ARTICULATION RESOURCES

- Articulation tables
- Articulation agreements
- Single Course Search Tool
- Transfer Equivalency Self Service
Transfer Credit Central is our home for all things transfer related.

We maintain transfer articulation tables for all of the schools in Oregon and the Community Colleges in Hawaii (we have a few partner schools in Hawaii as well)
TRANSFER GUIDES

- Each Academic College is strongly encouraged to have updated standardized transfer guides for partner community colleges.

- Link to Transfer Guides

TRANSFER GUIDE FOR OREGON STATE UNIVERSITY

Linn Benton Community College

Fisheries, Wildlife, and Conservation Sciences

For students earning their first or second (post baccalaureate) bachelor’s degree the B.S. in Fisheries, Wildlife, and Conservation Sciences offers first-rate training in processes and strategies for the management and conservation of fish, wildlife and marine species and their habitats. Students in our degree program learn to think critically and evaluate problems using basic and applied science, and fundamental ecological principles and through consideration of social influences on conservation.

Your Bachelor’s Degree (BS) in Fisheries, Wildlife, and Conservation Sciences

- A minimum of 180 credits are required for graduation; 60 must be upper division (300 and 400-level courses).
- A maximum of 135 transfer credits may be applied toward a bachelor’s degree at OSU.
- Only courses with letter prefixes and numbers above 100 are accepted.
- More info at: fwcs.oregonstate.edu/fisheries-and-wildlife/undergraduate-students-1
PARTNERSHIP
STEPS TO SUCCESS

Presidential Level Buy-in and Commitment

Relationship Development

Mutual Goals
- How can we best serve students
- Does the policies we create serve students or staff
- Will this make it easier for the students to succeed

Regular and Constant Communications

Willingness to Support Others (CC and University)

Getting Similar Departments to Communicate

Staffing responsible for program written into job description
