- Access to 100 and 200 level courses at the community college.
- Access services on both campuses such as scholarships, tutoring, Disability Services, and more!
- Early access to advising resources: MyDegrees to track degree progress, OSU academic advisors, and transcripts sent to OSU at the end of each term from the community college.

DPP will be added to your account at OSU and will be processed by the community college within 10 business days. Your partner school contact you to assist in next-steps.
Once admitted into DPP, students have up to **10 terms** before having to take an OSU course. Each term, students have a choice of taking classes at their partner school only, at OSU only, or they take classes at both OSU and the partner school. **Home School:** The school that will administer your financial aid and/or Scholarships. All DPP students must have a home school.

**OSU attendance only:** OSU must be the home school.

**Classes at both OSU and the partner school:**
May choose a home school. Each home school may have different aid packages and rules around financial aid and scholarships for DPP students, so students should plan ahead and work with a home school financial aid advisor to understand their financial aid expectations.

If a DPP student takes credits at their partner school that are transferrable to their home school, the partner school credits can be counted towards their overall financial aid credit load.

**Home School Specifics**

OSU and each community college require minimum credit hours to process financial aid at the home school. Below is a list of the credit hour requirements. Find your home school below and you will find the minimum amount of credits that you must be enrolled in at that school:

**Include both OSU and the partner school on FAFSA**
to keep financial aid options open. Once an award letter is created at both schools, you can make an informed decision on home school.

**OSU funded grant or scholarships** have specific requirements including OSU as the home school and take at least 6 OSU credits each term for the award to disburse.

**Scholarships from your partner school** may have specific requirements; know the policies around the scholarships.

**After enrolling in the first OSU credit**, students must complete a “DPP survey for Financial Aid” at OSU. This can be accessed by visiting MyOSU and clicking:

**Welcome Tab** —> **Banner Self Service** —> **Personal Information tab** —> **Answer a survey**

To change your home school, send an email from your OSU email to: dpp@oregonstate.edu with your name, ID number, and your request to change your home school, including the specific term.

**DPP Billing & Financial Aid**

DPP students are charged for their tuition and fees for the courses they are taking at each school.

The home school will communicate with the partner school to know what credits the student is enrolled in and count the eligible credits towards the financial aid credit load.

Financial aid will disburse to your home school student account.

If financial aid is greater than the home school bill, receive a refund! Use the refund to pay the bill at the partner school.

If aid does not cover the home school bill, the student will owe the home school and is responsible for their partner school bill.
