UNIVERSITY

Presentation Outline

- Ecampus Overview
- Who are Ecampus students?
- DPP and Pre-Admissions Advising
- DPP and Post-Admissions Advising with Environmental Sciences
- Questions?

Ecampus Overview

- More than 800 online classes in over 80 subjects, and more continue to be added each year
- 2 populations: Corvallis campus and distance learners
- Fall 2012 stats for distance students:
 - 2,721 eligible to register
 - 57% were transfer students

OSU Ecampus students receive the same diploma and transcripts as on-campus OSU students.

Oregon State
UNIVERSITY

16 online undergraduate degrees

- Agricultural sciences
- Anthropology
- Computer Science (post-bacc)
- Economics
- Environmental economics and policy
- Environmental sciences
- Fisheries and wildlife sciences
- German
- Horticulture
- Human development and family sciences
- Liberal studies
- Natural resources
- Political science
- Psychology
- Sociology
- University Exploratory Studies
- Women studies

Who are Ecampus Students?

Ecampus DPP Students

STUDENT 1:

- Resides in Nebraska
- Associates Degree
- Employed as a fisheries technician
- Desires a bachelor's degree in F & W for career advancement

STUDENT 2:

- Stay-at-home parent
- Began degree in OR, relocated to WA
- Currently in MTH 065
- Is thinking about re-entry into the work force

Ecampus DPP Students

STUDENT 3:

- Has a B.A. in English and a J.D.
- Desires a post-bacc degree in Environmental Sciences to specialize in environmental law
- Completed last math and science courses in HS

STUDENT 4:

- Active duty military
- Stationed abroad
- Desires a B.S. in Political Science as a precursor to law school
- Credits completed at CCAF

Online Learning with OSU Environmental Sciences

- B.S. in Environmental Sciences (ENSC)
- Offered on-campus and online
- For the online degree, all courses may be taken online to meet degree requirements with the exception of majors biology.
- 9 of 20+ specializations offered online.

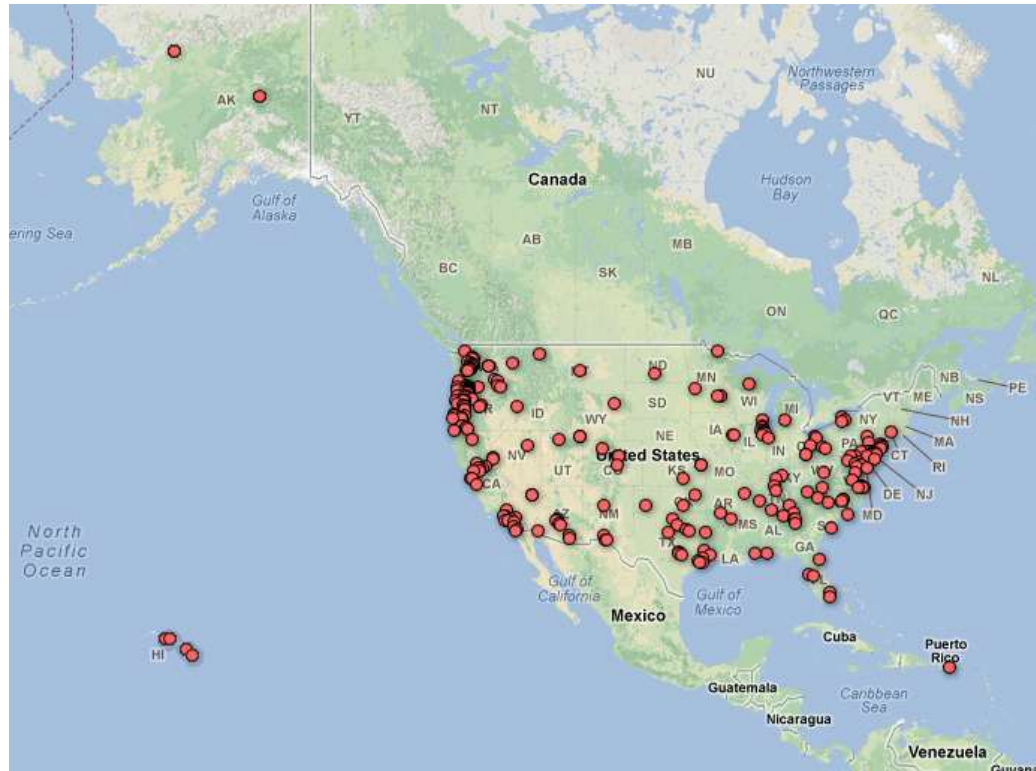

Oregon State
UNIVERSITY

Online Learning with OSU Environmental Sciences

- Approximately 500 ENSC students total
- 56% of all ENSC students are earning the degree online (278/494)
- Predominantly transfer and post-baccalaureate

Where in the World are ENSC Online Students?

Oregon State
UNIVERSITY

ENSC DPP Students

- Online ENSC students have higher participation in DPP
- The majority of students partner with only one school
- Highest participation at Chemeketa CC

- Approximately 226 ENSC DPP students total
- 72% of the total ENSC DPP are online students (162/226)
- 58% of ENSC online students are in the DPP (162/278)
- 46% of all ENSC students are DPP (226/494)
- 33% of all ENSC students are online DPP (162/494)

*approximates as of winter 2013.

ENSC online and the DPP

- The ENSC online degree relies on the DPP for Baccalaureate Core and Major Requirements
 - Speech
 - Physics
- Students are instructed to apply to the DPP as part of the ENSC new student orientation process.
 6. **Apply** to the [Degree Partnership Program](#) (DPP) with [Chemeketa](#) Community College (optional*). There are NO costs associated with the application and multiple benefits -- for example: physics, calculus, statistics (required for the degree) and other lower-division courses needed to meet Baccalaureate Core requirements are offered online; courses are less costly, and it works well with financial aid. **Before applying:** 1) **review** the [financial aid process](#) and [requirements for Chemeketa](#); 2) **determine** which [application term](#) you want to apply for* . Refer to these [helpful instructions](#) on how to apply. **Note:** If you are asked to pay another \$50 application fee, you have made a wrong selection and should refer back to the instructions. ***Note:** Check with your advisor if you are unsure if, and/or when, you should apply.

Oregon State
UNIVERSITY

ENSC online and the DPP

A. OSU BACCALAUREATE CORE (51 credits) – further your understanding of the modern world

① For complete policies and eligible courses refer to the OSU General Catalog: <http://catalog.oregonstate.edu/bcc.aspx>; ② For courses offered thru Ecampus, go to: <http://ecampus.oregonstate.edu/soc/catalog/bcc.htm>; ③ Some courses taken for Section A may fulfill requirements in Section B (Basic Science/Math), C2 (ES Humanities Core) and Section D (Specializations).

Skills (15 credits) – Transfer students with sophomore standing or above must complete WR II and Speech within the first 45 hours of OSU coursework.

- | | | | |
|--|-----------------------------------|---|-------------------------------|
| <input type="checkbox"/> Writing I (3) | <u>WR 121 with a C- or better</u> | <input type="checkbox"/> Fitness Lecture – HHS 231 (2) | _____ |
| <input type="checkbox"/> Writing II (3) | _____ | <input type="checkbox"/> Fitness Lab – HHS 241 or PAC (1) | _____ |
| <input type="checkbox"/> Speech (3) | _____ | <input checked="" type="checkbox"/> Mathematics (3-4) | <u>Fulfilled in Section B</u> |

Perspectives (27 credits) – No more than 2 courses from any one dept. may be used to satisfy the Perspectives requirement.

- | | | | |
|--|---------------------------------|--|---|
| <input checked="" type="checkbox"/> Physical Science w/lab (4) | <u>Fulfilled in Section B</u> | <input type="checkbox"/> Cultural Diversity (3) | _____ |
| <input checked="" type="checkbox"/> Bio. Science w/lab (4) | <u>Fulfilled in Section B</u> | <input type="checkbox"/> Literature and Arts (3) | _____ |
| <input checked="" type="checkbox"/> Phys. or Bio. Science (4) | <u>Fulfilled in Section B/C</u> | <input checked="" type="checkbox"/> Social Proc. & Inst. (3) | <u>Fulfilled in Section C – Economics</u> |
| | | <input type="checkbox"/> Western Culture (3) | _____ |

- Difference, Power and Discrimination** (2 credits)
- _____
- e.g. AG 301, FW 240, GEO 309

- Writing Intensive Course** (3-4 credits)
- _____
- AREC 461, ENSC 479, FW 435, GEO 323, HORT 318, PS 449 (See page 4 of guide)

- Synthesis** (6 credits) – Courses may not be from same dept.
- Contemporary Global Issues (3)
- _____
- e.g. AREC 351, FW 325, PHL 443, or see Bacc Core
- Science, Tech & Society (3)
- _____
- e.g. ANTH 481, AREC 352, ENSC 479, or see Bacc Core

ENSC online and the DPP

B. BASIC SCIENCE and MATH (51-55 credits) – develop a foundation for courses taken in the major

① NO S/U grades; ② A grade of C or better is recommended before continuing with the next course in a sequence; ③ Full year Biology sequence for science majors (including labs) MUST be taken in-person at a local institution with prior approval - hybrid okay if lecture online/lab in-person at same institution; ④ Financial aid may not be disbursed for courses taken locally; ⑤ All sequences may be taken in-person with prior approval – <http://ecampus.oregonstate.edu/online-degrees/undergraduate/es/BasicMTH-SCIguidelines.pdf>; ⑥ Sequences are listed in the order we recommend they be completed, as follows:

() **1. Math** Two terms of calculus

Exam score = _____

() MTH 251 (4) or equivalent _____

() MTH 252 (4) or equivalent _____

() **2. Chemistry** Full year of general chemistry

() CH 121 (5) or equivalent _____

() CH 122 (5) or equivalent _____

() CH 123 (5) or equivalent _____

() **3. Biology** Full year w/lab for majors

– see notes above for important information.

() BI 211 (4) or equivalent _____

() BI 212 (4) or equivalent _____

() BI 213 (4) or equivalent _____

() **4. Physics** Two terms/one semester of algebra-based physics

– May be taken online at Chemeketa CC or Eastern OR Univ.

– Take a *full year if planning graduate school in science field

() PH 201 (4) or equivalent _____

() PH 202 (4) or equivalent _____

() PH 203 (4) or equivalent* _____

() **5. Statistics** Two terms of statistics

– May take MTH 243/244 at Chemeketa CC, however, transfers as lower-division, not upper-division, credit

() ST 351 (4) or equivalent _____

() ST 352 (4) or equivalent _____

Notes:

Oregon State
UNIVERSITY

Opportunities and Challenges

+

- AAOT (90 credits) vs. lower division Baccalaureate Core (42 credits)
- For out-of-state students, quarter credits vs. semester credits
- Financial benefits
- Automated transfer credit process
- Expanded course access
- Extended non-enrollment.
- Online format available from many DPP partners.

-

- Programs in which the major core has a high number of credits that can be transferred in.
- Communications courses: required for all majors but not readily available
- Priority registration schedules limit timely access.
- Multiple institutional accounts/relationships to manage
